

U.S. News & World Report Names Astral at Auburn a 2022-23 Best Assisted Living Community

AUBURN, IND. – Astral at Auburn has been recognized by U.S. News & World Report as a 2022-23 Best Assisted Living Community.

U.S. News reviewed resident surveys from the past year that highlighted the community experience of more than 200,000 current residents and family members at senior living communities across the nation. To receive the 2022-23 Best Assisted Living designation, communities had to receive the highest possible rating from satisfaction surveys administered between March 2021 and February 2022.

“We are honored to be recognized as one of the top senior living communities in the nation,” said Amanda Palace, executive director at Astral at Auburn. “Our team strives to always provide the best care and experiences to the residents at our community. As we continue in our second year of operation, we are committed to continuing to provide an excellent level of care and service.”

Astral at Auburn, which is located at 1675 W. 7th St. in Auburn, Ind., offers independent living, assisted living and memory care. The community opened last year and is the premiere senior lifestyle choice in DeKalb County.

The inaugural U.S. News [Best Senior Living](#) ratings and profiles offer comprehensive information and exclusive analysis of consumer satisfaction data, evaluating such factors as community and activity, food and dining, caregiving, and management and staff for nearly 2,500 communities in the continental U.S. and Hawaii.
